The basics

What is the NPL Leapmotor Cup?

An amateur pickleball tournament run by NPL and Leapmotor at The Jar HQ. It's built for everyday players - quality competition, a great community and a fun weekend for the whole family.

When is it on?

Day	Events	Times
Saturday 21 Nov	Men's Doubles + Women's Doubles	9:00am check-in · 9:30am-1:30pm round robin · 1:30pm finals
Sunday 22 Nov	Mixed Doubles	9:00am check-in · 9:30am-12pm round robin · 12:30pm finals
	Men's + Women's Singles	12pm-3:30pm round robin · 3:30pm finals

How do I register?

Online at lader.sport/event/the-leapmotor-cup. Registrations close Friday 20 November at 6pm.

Am I good enough? Which division?

I don't know if I'm good enough.

You are. We have heaps of first-time tournament players - that's the whole purpose of this event. It's not a pro event.

Which division should I enter?

Pick the one that matches your level. Use your DUPR as a guide if you have one:

Division	DUPR guide
Beginner	under 3.0
Intermediate	under 3.5
Intermediate Plus	under 4.5
Open	4.5 and above

Not sure? **Go Beginner.** Singles runs in Intermediate and Intermediate Plus only.

Do I need a DUPR account to register?

No. Just select the division you believe matches your skill level.

Partners + entries

I don't have a partner.

Sign up anyway - there are already 20+ players in the same boat. When registering, enter dummy details for your partner, for example:

John Smith
johnsmith@gmail.com

Lookingfor Partner
lookingforpartner@gmail.com

We'll be in touch to match you with a partner at your level. If we can't find you one, you get a full refund.

Can I play more than one event?

Yes. Saturday is Men's and Women's Doubles, Sunday is Mixed Doubles and Singles - so you can play Mixed and Singles on the same day. Your first event is \$60, your second \$30 and your third \$10.

What if my division doesn't get enough entries?

A division needs at least 4 entries (pairs, for doubles) to run, otherwise it's merged with another division. We're confident every division will run.
